Free animal knitting charts

The 8 charts are all worked flat: Sitting cat, Puppy face, Penguin, Fox face, Sheep, Bunny, Teddy bear and Owl. Each chart is drawn with a border of background stitches and rows; the stitch and row counts below are for the motif inside that border.

Read row 1 at the bottom: right-side (odd) rows are read from right to left and knitted, wrong-side (even) rows from left to right and purled. The chart shows the right side of the knitting.

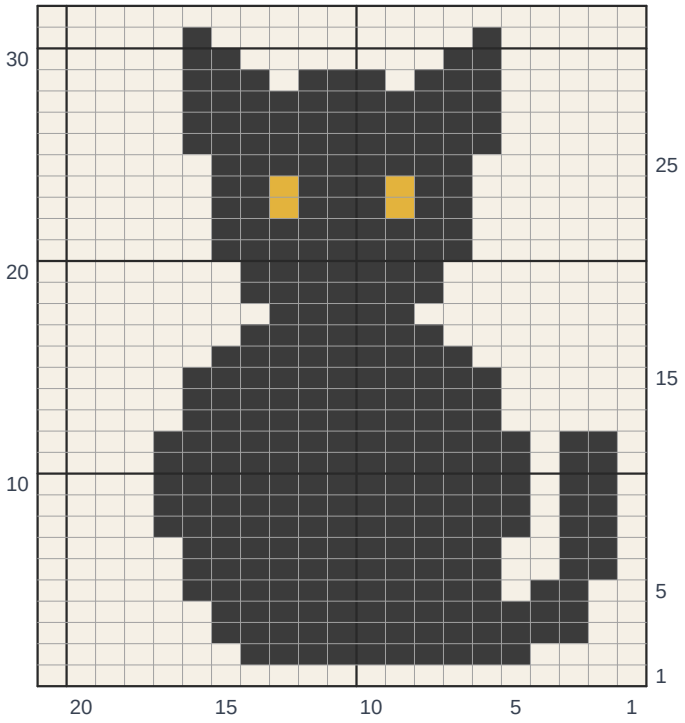

Finished sizes are given at 3 gauges: Fingering (28 sts x 36 rows = 10 cm), DK (22 sts x 30 rows = 10 cm), Worsted (18 sts x 24 rows = 10 cm).

To change the colors, size or gauge, open any chart in the free editor at knittingchart.com/animal-knitting-charts. The editor exports a fresh PDF with the color key and written instructions. These charts are free to knit, change and use in your own projects and patterns.
