Free knitting chart letters

Every square is one stitch; read the charts from the bottom up, with every round right to left in the round and, flat, right-side rows right to left and wrong-side rows left to right.

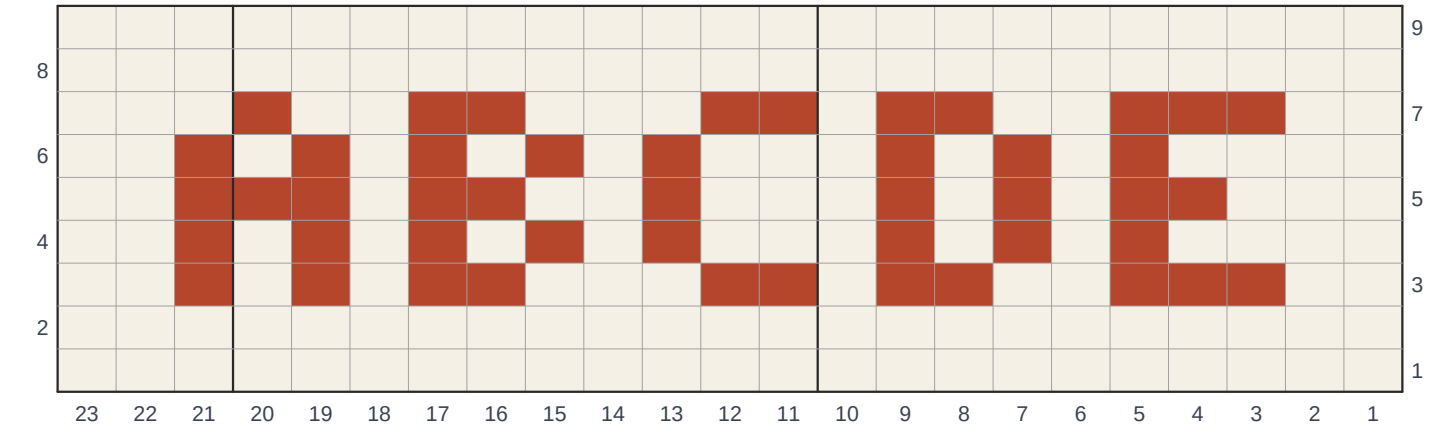

Small letters are 3 stitches wide and 5 rows tall, large letters 5 wide and 7 tall; leave 1 stitch between letters, 3 or 4 stitches for a word space, and 2 stitches of margin at each side.

To place a word on a hat or blanket, count the stitches around the piece and center it; or type your own text at knittingchart.com/knitting-chart-letters to get the chart at your gauge, with row-by-row instructions and a PNG.
